## MED100F (Glass Door Medical Freezer With Low E Glass)

Model Reference

MED100F

### Features

|                             |                           |
|-----------------------------|---------------------------|
| Capacity (L)                | 70                        |
| Climate Class 4             | -22°C at +30°C and 55% RH |
| Interior Light              | YES                       |
| Lightbox                    | YES                       |
| Lightbox Branding Available | YES                       |
| Drain For Easy Cleaning     | YES                       |
| External Solar Thermometer  | YES                       |

### Power Consumption

1,5 Running Amps

### Dimensions

|                         |                                   |
|-------------------------|-----------------------------------|
| Unboxed Dimensions (mm) | (H) 880mm x (W) 530mm x (D) 490mm |
| Weight (Kg's) – Boxed   | 51Kg                              |
| Weight (Kg's) – Unboxed | 48Kg                              |

medical refrigeration

## MED100R (Glass Door Medical Fridge With Low E Glass)

Model Reference MED100R

### Features

Pedestrian Door

Tempered Glass

Temp Range

2°C to 8°C

Adjustable Shelves

Internal Display Light

Compressor Cooled

Wire on Tube Condenser

Manual Thermostat

Table Top Medical/Laboratory Display Unit

Light Box

Display lights have separate isolators

Gross Volume

85 L

Net Volume With Shelves

75 L

External Solar Thermometer

### Benefits

Clear Visual Display of products

Header Display for Advertising purposes

Light switch for internal and header panel display

### Power Consumption

130 Watt

### Dimensions

Unboxed Dimensions (mm)

(H) 810mm x (W) 480mm x (D) 470mm

Weight (Kg's) – Boxed

38Kg

Weight (Kg's) – Unboxed

35Kg

# MED580R (Glass Door Medical Cooler With Low E Glass)

Model Reference

MED580R

## Features

|   |                        |
|---|------------------------|
| White sides / black trim                        | Standard               |
| Stainless Steel Sides/ grey trim                | Optional               |
| LED Lights                                      | N/A (Tube Lights Only) |
| Electronic Controller (Thermostat With Display) | Standard               |
| Over/Under Voltage Compressor Protection        | Standard               |
| Lock  | Standard               |
| Front Ventilation                               | Standard               |

## Specifications

|                              |                            |     |
|------------------------------|----------------------------|-----|
| Gross Capacity               | Ltr                        | 270 |
| Nett Capacity                | Ltr                        | 226 |
| Shelves                      | 3 (extra shelves optional) |     |
| Refrigerant                  | R134a                      |     |
| Temp Range                   | 2C to 8C                   |     |
| Max Power Consumption (watt) | 303                        |     |
| Voltage / Hertz              | 230/50                     |     |
| Compressor Size (hp/cc)      | 1/5/6                      |     |
| Weight Empty (kg)            | 90                         |     |

## Dimensions

|                 |                                    |
|-----------------|------------------------------------|
| External        | (H) 1350mm x (W) 580mm x (D) 635mm |
| Internal (Nett) | (H) 840mm x (W) 490mm x (D) 550mm  |

# MED690F (Glass Door Medical Freezer With Low E Glass)

Model Reference

MED690F

## Features

|   |          |
|---|----------|
| White sides / black trim                        | Standard |
| Stainless Steel Sides/ grey trim                | Optional |
| LED Lights                                      | Standard |
| Electronic Controller (Thermostat With Display) | Standard |
| Over/Under Voltage Compressor Protection        | Standard |
| Lock  | Standard |
| Front Ventilation                               | Standard |

## Specifications

|                              |                            |     |
|------------------------------|----------------------------|-----|
| Gross Capacity               | Ltr                        | 525 |
| Nett Capacity                | Ltr                        | 455 |
| Shelves                      | 4 (extra shelves optional) |     |
| Refrigerant                  | R134a                      |     |
| Climate Class 4              | -22°C at +30°C and 55% RH  |     |
| Max Power Consumption (watt) | 866                        |     |
| Voltage / Hertz              | 230/50                     |     |
| Compressor Size (hp/cc)      | 7/8/23                     |     |
| Weight Empty (kg)            | 117                        |     |

## Dimensions

|                 |                                    |
|-----------------|------------------------------------|
| External        | (H) 2020mm x (W) 690mm x (D) 635mm |
| Internal (Nett) | (H) 1380mm x (W) 600mm x (D) 550mm |

# MED690R (Glass Door Medical Cooler With Low E Glass)

Model Reference MED690R

## Features

|   |          |
|---|----------|
| White sides / black trim                        | Standard |
